Frequently Asked Questions (FAQ)

Development Services

Q: What web development services do you offer?
A: I deliver end-to-end web solutions:

Custom Websites & Portfolios:
- Tailored designs with responsive layouts.

Frontend: React, Next.js, Tailwind CSS for dynamic interfaces.
Backend: Node.js, Express, and MongoDB for scalable APIs.
Full-Stack Apps: Complete development from UI to database.
Maintenance: Performance optimization and updates.

Q: Can you build e-commerce platforms?
A: Yes! I've developed:

- Secure payment gateways (Stripe, PayPal).
- Inventory management systems.
- User-friendly shopping carts.

Collaboration & Contact

Q: How should I contact you for a project?
A: Preferred methods (fastest response):

- Email: sanjaykumar.techdev@gmail.com
- LinkedIn: Link
- Portfolio Contact Form (with automated confirmations).

Q: What details should I share in my inquiry?
A: Help me serve you better by including:

- Project goals and scope.
- Budget range and deadlines.
- Reference examples or inspirations.

Work Arrangements

Q: Are you open to freelance or full-time roles?
A: Currently accepting:

- Freelance Projects (1–3 months).
- Contract Work (3–6 months).
- Full-Time Positions in web development.

Q: What's your typical timeline?
A: Estimates based on complexity:

- Basic site: 1–2 weeks.
- Full-stack app: 4+ weeks.
- Exact timeline after requirement analysis.
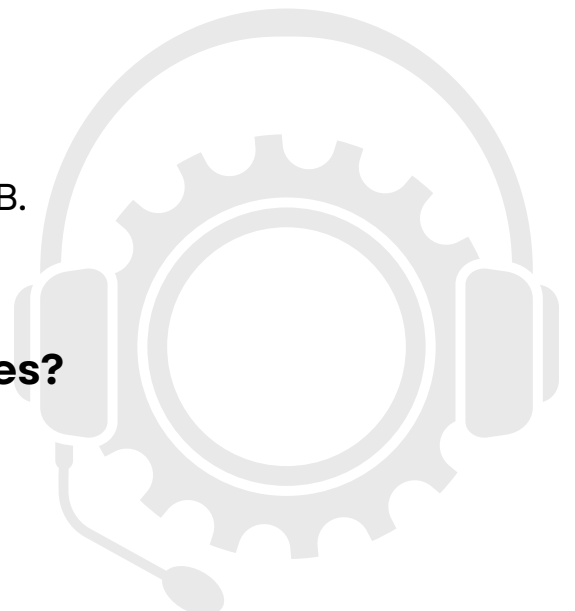

Technical Expertise

Q: What's your tech stack?
A: Core skills:

- Frontend: React, Next.js, Tailwind.
- Backend: Node.js, Express, MongoDB.
- DevOps: AWS.

Q: Do you revamp existing websites?
A: Yes! Services include:

- Modernizing outdated designs.
- Fixing bugs/performance issues.
- Adding new features (APIs, CMS).
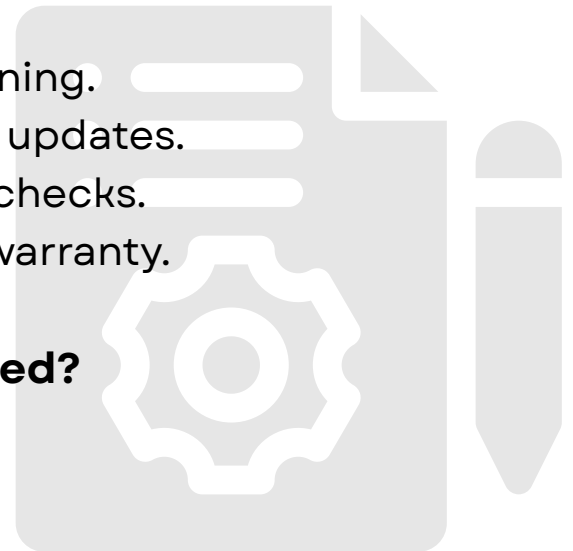

Project Process

Q: What's your workflow?
A: Structured phases:

- Discovery: Requirements & planning.
- Development: Agile sprints with updates.
- Testing: Cross-browser/device checks.
- Launch & Support: 30-day bug warranty.

Q: Is post-launch support included?
A: Yes! All projects get:

- 30-day free fixes.
- Optional maintenance plans.
- Detailed documentation.

Pricing & Payments

Q: What are your rates?
A: Flexible options:

- **Hourly:** ₹200
- **Fixed-Price:** Quoted post-requirements.
- **Retainers:** For long-term collaboration.

Q: Accepted payment methods?
A: PayPal / Bank Transfer.
   UPI (India).

Portfolio & References

Q: Where can I see your work?

A: Explore:

- Live Projects on this portfolio.
- GitHub for code samples.

Q: Can you share client references?

A: Yes! Provided after NDA/screening.
